

### Internacionales

#### 2015

- **"Smart sensor design for power signal processing"**. Ferrández-Pastor, F.J., Mora-Mora, H., Sánchez-Romero, J.L., Nieto-Hidalgo, M. (2015) 9th International Conference on Ubiquitous Computing & Ambient Intelligence (UCAI 2015). Puerto Varas, Chile. Dec. 1 - 4, 2015.

#### 2012

- **"High Level Library for fast developing pipelined data paths on FPGA: Case study of tool path computation"**. Pérez-Martínez, J.; Jimeno-Morenilla, A., Cuenca-Asensi, Sánchez-Romero, J.L. (2012) Jornadas de Computación Reconfigurable y Aplicaciones. Elche, Spain. Sept 19 - 21, 2012.

#### 2011

- **"On the definition of real conditions for a fault injection experiment on embedded systems"**. Restrepo-Calle, F., Cuenca-Asensi, S., Aguirre, M. A., Palomo, F. R., Guzmán-Miranda, H., and Martínez-Álvarez, A. (2011). In Proceedings of the 12th European Conference on Radiation and its Effects on Components and Systems RADECS 2011. Sevilla, Spain. Sept 19 - 23, 2011.

- **"A co-design approach for SET mitigation in embedded systems"**. Lindoso, A., Entrena, L., San Millán, E., Cuenca-Asensi, S., Martínez-Álvarez, A., and Restrepo-Calle, F. (2011). In Proceedings of the 12th European Conference on Radiation and its Effects on Components and Systems RADECS 2011. Sevilla, Spain. Sept 19 - 23, 2011.

- **"An Approach to the Application of Shift-and-add Algorithms on Engineering and Industrial Processes"**, Sánchez-Romero, J.L.; Jimeno-Morenilla, A.; Molina-Carmona, R.; Pérez-Martínez, J. Mathematical Modelling in Engineering & Human Behaviour, Valencia, Septiembre 2011.

-

**"Feature Reduction of Local Binary Patterns Applied to Face Recognition"**, Juan Carlos García and Francisco A. Pujol

International Symposium on Distributed Computing and Artificial Intelligence 2011, Salamanca, Abril 2011.
